

FILIBUSTER JUDGE SAMUEL ALITO'S NOMINATION TO THE SUPREME COURT TO SAVE WOMEN'S AND CIVIL RIGHTS

I strongly urge you to support a filibuster in order to block the confirmation of Samuel Alito to the Supreme Court. Samuel Alito has demonstrated hostility to women's rights, civil rights, workers' rights, separation of church and state, and privacy rights. His disdain for Americans' constitutional right to privacy extends even to allowing the strip search of a 10-year old girl. Not only will he be the decisive vote to reverse *Roe v. Wade*, his addition to the Court will lead to the evisceration of our nation's long struggle to erase sex and race discrimination and the undermining of important legislation such as the Family and Medical Leave Act.
