

# Tell Us Your Story!

As part of the Birth Control Access Campaign

**It is important that Congress hears how this crisis is preventing young women from safely and affordably obtaining birth control.**

*The identifying information below is optional.*

*If you would prefer, just answer the questions below. If you do provide identifying information, it may be given to elected officials along with your story.*

**Name:** \_\_\_\_\_

**Email:** \_\_\_\_\_

**Phone:** \_\_\_\_\_

**Zip:** \_\_\_\_\_

How much did you pay for birth control before price increases? \$ \_\_\_\_\_ / month

If you are still able to pay for birth control, how much are you now paying? \$ \_\_\_\_\_ / month

What options did you look at to make up the difference? What did you have to change or give up in your budget?
