

Save Women's Lives:

MARCH FOR FREEDOM OF CHOICE
Washington, DC • April 25, 2004

BANNER ORDER FORM

Tri-colored banners (purple, white and gold in vertical panels—replicas of banners carried by the Suffrage movement) are available for purchase by each delegation. They are lightweight and come with collapsible polished wooden poles. Uniform banners are important for visual impact and as a strategic link to America's 160-year tradition of the fight for women's rights. Use of the banners demonstrates both respect for the past and commitment to a future of widespread, national, organized and unified support for women's equality. After the March, groups have used the banners for many different purposes.

Orders and payment for banners must be received by March 1, 2004 to ensure delivery before the March. All banners will be shipped via UPS.
